To Whom It May Concern:

This letter is to compliment and recommend BATCO Construction and Maintenance, Inc., as general contractor. BATCO was awarded the contract to modernize housing units for St. Charles Parish Housing Authority located in South Louisiana. This construction company is well qualified to work on projects funded by the U.S. Department of Housing and Urban Development. The project was staffed with proficient and knowledgeable superintendents and subcontractors. The job site was clean and organized. Job-site safety was a priority and communication for the duration of the project was outstanding. Joe Battaglia and Edward Fogarty's professionalism always kept the job moving forward even when conflicts developed. SGB Architects will include BATCO Construction and Maintenance, Inc. on invited bidders list for future South Louisiana projects.

Please feel free to contact me for any additional information.

Sincerely,  
SGB Architects, LLC
